

Stainless Steel Banding

Type 201 stainless steel, medium duty, widths: 1/4"; 3/8"; 1/2"; 5/8"; 3/4" x 100 ft coils
-uses: Traffic signals; signs; street decorations; electrical utility; telecom; HVAC

Type 316 stainless steel, medium duty, widths: 1/2"; 5/8"; 3/4" x 100 ft coils
-uses: Shipbuilding & marine; mining; municipalities & utilities in coastal communities

Type 201 stainless steel, heavy duty, widths: 3/4"; 1"; 1 1/4" x 100 ft coils
-uses: electrical power utility; heavy industrial

Type 304 stainless steel, light duty, widths: 1/2"; 5/8"; 3/4" x 200 ft coils
-uses: HVAC; insulation; property maintenance; signs

Coated Type 316 stainless steel banding - for extra corrosion protection
-coatings:

PPP (polypropylene); halogen free; temp range -20C to 50C; widths 3/8"; 1/2"; 5/8" x 20 m

PVC (polyvinyl chloride); temp range -40C to 85C; widths 3/8"; 1/2"; 5/8" x 20 m

PPA (polyphthalamide); halogen free; temp range -40C to 150C; widths 3/8"; 1/2"; 5/8" x 30 m

Buckles, Wing Seals, Brackets

Buckles

Type 201 Stainless Steel: 1/4"; 3/8"; 1/2"; 5/8"; 3/4", 100 per box

Type 316 Stainless Steel: 1/2"; 5/8"; 3/4", 100 per box

Heavy Duty Type 201 Stainless Steel: 3/4"; 1"; 1 1/4", 25 per box

Use buckles that correspond with chosen banding

Wing Seals

Type 304 stainless steel, widths: 1/4"; 3/8"; 1/2"; 5/8"; 3/4", 100 per box

-use with light duty type 304 stainless steel banding

Type 316 stainless steel, widths: 3/8"; 1/2"; 5/8"; 3/4", 100 per box

-use with coated type 316 and mill finish stainless steel banding

Brackets

Type 304 Stainless Steel (SS) brackets with, ss bolt, ss washer & plastic washer, 50 per box

FLB - Flared Leg Brackets - for round poles; square poles 4" or more

SLB - Straight Leg Brackets - for square poles; octagonal poles

-use to install signs; electrical panels & boxes to poles, pillars; beams

Banding Tools

MTC2400 - Medium Duty, Worm Drive band tensioning tool, with built-on cutter

-most popular tool

RTS240 - Medium Duty, Lever Handle Ratchet band tensioning tool, with built-on cutter

-good tool for narrow spaces, and for coated banding

BT2440 - Light Duty, Squeeze-Action band tensioning tool, with built-on cutter

-one hand tensioning action; use for light duty banding and coated banding

MTC2400

Stainless Steel Cable Ties

Roller Ball Locking Stainless Steel Cable Ties, Type 316 Stainless Steel

Use in extreme environments: hot; cold; vibration; dust; petro-chemicals; shipbuilding & marine; subterranean; remote / inaccessible locations

150 lb

Standard Duty, 4.6 mm (.18") wide, .010" thick 100 per bag
-mill finish or coated (halogen free polyester epoxy)
-sizes range from 4" (100 mm) to 55" (1400 mm)
-some sizes also available in type 304 stainless steel

300 lb

Heavy Duty, 7.8 mm (.31") wide, .010" thick, 100 per bag
-mill finish or coated (halogen free polyester epoxy)
-sizes range from 8" (200 mm) to 55" (1400 mm)

450 lb

Extra Heavy Duty, 12.5 mm (.5") wide, .010" thick, 100 per bag
-mill finish or coated (halogen free polyester epoxy)
-sizes range from 8" (200 mm) to 39" (1000 mm)

800 lb

Double Extra Heavy Duty, 16 mm (.625") wide, .014" thick, 50 per bag
-mill finish or coated (halogen free polyester epoxy)
-sizes: 16" (457 mm); 24" (610 mm); 30" (762 mm)

Tools for Stainless Steel Cable Ties

CT2850 - Squeeze-Action Tool tensions and cuts standard to extra heavy duty stainless steel cable ties. One hand tensioning.

CT2840

CT2840 - Pistol-Action Tool tensions and cuts standard & heavy duty stainless steel cable ties. One hand operation. Set desired tension for auto cut-off and consistent tensioning.

SKG-T001 - Lever handle Ratchet tool with cutter. Use for extra and double extra heavy duty stainless steel cable ties.

Specialty Banding

HS54123 - All Purpose Stainless Steel Banding, 13 mm (1/2") x .7 mm (.030") x 10 m (32 ft), scalloped edge, with punched holes. Fasten with bolts or screws.
-very versatile: use as banding, clamp, tie down strap, wire clip, pipe hanger etc.

RBC1000/10 - Stainless Steel Ratchet Band Clamp, 1000 mm (39") hemmed band with integral ratchet-action tensioning clasp. No tools required to tension the band, 20 per bag.
-uses: signs, maintenance

SKG-HPB - High Pressure Band Clamp, 200 lb strength, 10 mm wide x 500 mm to 3000 mm lengths, 5 per bag. Tensions by turning screw on integral clasp.
-uses: HVAC, automotive, signs

SKG-HPB
